

Resolution to Repeal 2014 General Session, S.B. 54 Elections Amendments

3/26/19

Whereas: The goal of Count My Vote is to eliminate the caucus and convention system in Utah¹.

Whereas: SB54 was passed by legislators in coordination with Count My Vote².

Whereas: SB54 signature-gathering candidates do not have to support our party platform.

Whereas: SB54 signature-gathering legislators have proposed huge tax increases and have increased regulation stifling Utah prosperity.

Be it Therefore Resolved that: The Davis County Republican Party highly insists that 2014 General Session, S.B. 54 Elections Amendments be repealed immediately, and that this resolution be delivered to all Utah Legislators as soon as possible.
