Called to Order at __

Welcome: Don Guymon

Prayer:

Pledge of Allegiance:

Officer Reports:

Chair, Don Guymon: EC members need to be publicly neutral.

Bob Stevenson is not running for reelection.

County commission open (Lorena).

Don anticipates that this next election cycle will be “crazy”.

Rachel asked if anyone in the room would like to run for mayor, filing by June 6th.

Comment from a chair (Ben Spencer) Neutrality with transparency and accountability

Don intends to support those who win at convention relative to the bylaws with fundraising etc.

Lisa Fifield: Asked about supporting candidates. Don’s answer: not okay at convention

Follow the process so that we are not accused of favoring or not favoring particular candidates.

Don is still trying to get access to Facebook page. Yemi was not an owner, only a moderator. Tina Horlacher was an owner.

Vice Chair, Terry Findling: Terry is trying to change the entity (not a company) of the party, required with the state. At America 1st could not change signatures because the entity is wrong with the state.

Don, Terry, Alicia and Melanie will be on the entity so then we can get on the America 1st account.

Technology committee perspective. We have access to the web site. Working to get everything updated.

1 of Don's goals: putting contact information on website of EC members. A different email address is available for every EC member is desired. Don wants all phone numbers on Web page.

Terry also has a signature EC members can make a similar copy of for the email.

Insurance had lapsed. It has been rectified.

Don: we will disagree. He hopes for respect. **Don't share anything from Executive session.**

Secretary, Alicia Brown: Thank you for your work to get state Delegates at Convention!

Thank you for your patience with my technological abilities.

Treasurer, Melanie Mortenson

Motion by Susan Lee: 5 minutes per agenda item. Seconded by Rachel Thomas.

Adoption of Agenda

Adoption of Minutes - Adopted by Susan Lee and seconded by Roland Whiteside.

Business:

1. Lincoln Committee Report: Feb 21. at Davis Convention Center 6:30pm. As it gets closer meetings will be held. Lisa Fifield question: campaigning? Yes, there will be some.
2. Entity Update-Terry and Melanie
3. C&B Committee Update: Brian : **add him to email list for EC Meetings Add Norm too**
4. Storage Unit- Authorize Don to spend up to \$200 per month on a storage unit for a minimum of 12 months-once checking accounts are authorized. Once entity is taken care of we would like permission to get a unit closer, in South Davis. Susan Lee motioned to ask Scott Fletcher if we can be released of our contract, but even if he won't release us of the contract we will get a 2nd storage unit closer for up to \$200/month.
Question called by Bruce Finch.
5. Website = **Norm Parker**
6. Young Republicans-Don
7. TARS: Tawra Tobler has been involved with them for 8 years. Tawra is ready to pass the torch. There are 2 people who could take over, but it would be helpful to have someone connected to the EC to help. Meet once a month. Get involved in Lincoln Day dinner and Caucus etc. Don will send out an email inviting others to be liason. There is a state TARS and national TARS. The youth are leaders. Jenny Muns is over State TARS. Optional sell lunch at convention. Some kids go to National: fundraisers available. Jen Mashchke is main TARS youth. Not

allowed to have clubs in high schools. Davis county trained Logan TARS. No other TARS group in UT. Lisa: do more capital tours through field trips.

8. Central Committee Meeting-Saturday or Weekday? Oct 7 or, Oct 14, or **Oct 21st** (most favorable)

Vote: 4 wanted Saturdays, everyone else wanted a weekday.

This meeting must be held once a year. Don want to have one in Sept and then in the winter. Held at a school. All EC members are part of the Central Committee. Delegates ARE NOT members of CC.

9. Precinct Chair Outreach-Don

Reach out to Precinct chairs now. Give them a list of Republican's **Data needs to be updated in Ragic.**

Use **technology committee: Norm Parker. Ben Spencer wants to be on technology, Shane Shirliff, Mike Brown.**

Shane Shirliff: **Original document with data from Caucus. Send out to Marc Van Oene. Marc is happy to help work on the data base. Ie: TJ Edwards**
Data should never flow from State to County, NOT the reverse.

10. Caucus Committee Formation: all leg chairs, vice chairs, Terry and Alicia be on committee (and maybe Don and Melanie).

Don will focus on convention. He will be the convention chair. There will be other committees and people to help Don. Britshana is interested in being Caucus committee chair. Britshana was excited to speak for a couple minutes. She reviewed how things went last year. She will fight to maintain caucus. Trainings up to 2 months in advanced. If your Precinct chairs don't show up to be trained it is up to the leg district chairs to train them.

Vote: **Britshana elected as caucus chair**
