

Thank you for helping Keep My Voice (KMV) restore Neighborhood Caucuses! Our **Freedom of Association Ballot Initiative (FOAI)** will repeal Senate Bill 54, protect First Amendment rights for all political parties, and preserve Utah's Neighborhood Caucuses. The Utah Republican Party governing body voted to include the Keep My Voice petition in all precinct meetings. According to the resolution, no other petition is allowed in GOP precinct meetings that is contrary to Party's Constitution & Bylaws. This prohibits the Count My Vote petition.
